

SCHOLAR SUPPORT PROGRAM

As the admission process begins, the student goes through a counselling session arranged by the institute to understand the students' priorities and interests. The Principal also has a one to one interaction session with the students and the parents.

Activities for Slow learners:

- Remedial / Student support programmes
- Bridge Course
- Personal attention in teaching
- Re-test for improvement
- Extra practical sessions
- Special mentoring
- Special notes and assignments
- Solving University question papers
- Question banks
- Language improvement sessions through morning talks and JAM (Just a minute)
- Class events
