About NIMIT

Naipunnya Institute of Management and Information Technology (NIMIT), is a NAAC B++ grade Accredited College of the Ernakulum - Angamaly archdiocese. The beautiful campus and the state of the art infrastructure creates the right ambience and learning atmosphere since its inception from 2002. The quality of teaching and learning provided helps the students to pursue various career goals and provide ample opportunities in the industry. In 2014 NIMIT was granted ISO 9001- 2008 (upgraded to ISO 9001-2015) certification for exemplary standards in education and student training. In July 2019 NIMIT was accredited with B++ grade in its first cycle of accreditation, a proud achievement among the self- financing institutions in Kerala. With its onus on quality enhancement it marches forward triumphantly in its quest for all round excellence.

IQAC NIMIT

The IQAC of the institution was constituted to maintain high standards of quality enhancement. It has initiated various activities to nurture innovative practices in teaching /learning, good administration, student mentoring and welfare, Institution-industry collaboration, outreach and extension activities etc. Apart from creating a culture of quality in NIMIT, it also organizes workshops and seminars on quality-related issues and themes for surrounding peer institutions. Our faculty members participate in workshops and seminars conducted by NAAC and also offer institutional mentoring to colleges facing quality challenges through workshops and IT services.

NITCS (Naipunnya IT Consultancy Services)

As our IT Team got special appreciation during NAAC peer team visit we have started NITCS (Naipunnya IT Consultancy Services) offering services in the fields of IT Consultancy and Training, Software Development and Web Site Development. The products and services of NITCS are:

Software Development

Workshop Objectives

This workshop is intended to give an awareness on the relevance of NAAC and methods for accreditation among the higher education institutions in Kerala. The programme is expected to achieve the following-

- To create awareness among non-accredited Higher Education Institutions on the relevance and methodology for accreditation.
- To frame the outline of the institutions NAAC happenings by providing hands on experience
- To develop a right perspective on UGC and NAAC mandate for quality enhancement and sustenance.
- To ensure internalization of the quality culture and institutionalize all good practices.
- To enhance coordination among various activities of the institution .
- To understand the importance of documentation and internal communication.
- To facilitate the exchange of best educational practices for quality enhancement.
