About The Institution

Naipunya Institute of Management and Information Technology (NIMIT) (<https://naipunya.ac.in/>), Pongam, affiliated to the University of Calicut, Kerala, is an apt paradigm of art, science and management co – educational institution of higher learning in the self – financing sector, owned and managed by the Archdiocese of Ernakulam- Angamaly. It was established under the visionary leadership of Rev. Fr. Sebastian Kalapurackal, the first Director of Naipunya in 1998 and later in 2002 Nimit was approved by the University of Calicut by starting a Degree course in commerce. NIMIT was also granted the ISO 9001-2008 certification in 2010 (upgraded to 9001- 2015) for exemplary educational and student training . The college was accredited by NAAC with B++ in its very first cycle in the year 2019.

NIMIT originated as a skill development centre, aiming at job-oriented education for young minds. It commenced as a unit for the economically marginalised sections of a rural population belonging to different communities, consisting mostly of women. Due to exceptional farsightedness, unflinching zeal and far-reaching ideals of all the stakeholders, NIMIT presently is a microcosm of universal learning, where the best of human calibre and values is harnessed for futuristic purposes of life enhancement and constructive adaptability to the ever-transitional circumstances of the world. Since inception, the college has experienced magnificent growth and development encompassing its overall attainments both in scholastic and non-scholastic areas.

Even though NIMIT is characterised by heterogeneity, its singularity depends on its solidarity of common prospects and targets of promoting learners to be scholars of not just academic inclination but also artists of creative preference. Its personality and ethical standards have mediated the emergence of well-groomed and well- disciplined student representatives of our indigenous cultural ethos. The college deems it as its immense onus to nurture challenging individuals and to transform them into goal-oriented professionals noted for integrated and wholesome disposition, with competency in skilful work force and empathetic humaneness strengthened with courage of conviction, personal integrity, professional ingenuity and social commitment.
