REPORT

Creative Writing can be used for informative, analytical, entertainment or persuasive purposes. The P.G. Department of English under WWS conducted a CREATIVE WRITING Competition for the 2nd B.A. students on March 6, 2024 to create a space in which the students could express themselves fluently through written English. The topic given to them was “The Influence of Social Media On the Youth Today.” The English Writing Competition encourages students to develop their creative writing skills as well as helping them to structure their thoughts and build an argument in English.
