

Earn and Learn Policy: NIMIT/7.2/2021-22

Objective

- To expose students to the industrial culture and practices in their respective fields, thereby facilitating vocational learning experience.
- To provide an earning and to serve as a bridge to various prospective careers, expanding their opportunities for employment in future.
- To ensure an exponential increase in the number of students involved in the Earn and Learn programme every year.

Procedure

- Departments should have a policy on Earn and Learn programme seeing to the nature of the programme
- The Earn and Learn programme coordinators should ensure consistency in the initiatives taken up by the department.
- Financial statements from the Finance department as well as reports with details of student participation and the amount earned by each student should be filed by the Earn and Learn programme coordinator of the department.
- The update of the same through the institutional website is very much expected.
- After the completion of the event, the Earn and Learn programme coordinator should sent reports to the HoD and NAAC coordinator.
