DEPARTMENT OF HOTEL MANAGEMENT

Naipunnya Institute of Management and Information Technology (NIMIT) is located at Pongam, 7 Km. from Angamaly en route to Thrissur along the National Highway 47, set in a sprawling area of 10 acres with landscaped gardens and aesthetically built buildings. The Institute is just 10 Km. from Cochin International Airport, Nedumbassery. This is the pioneer institution to start the B.Sc degree programme in Hotel Management under Calicut University. NIMIT is proud to say that it was awarded as the Best Hotel Management Institute by the Department of Tourism, Government of Kerala in 2004. It is the first college in Kerala to offer a University degree in Hotel Management from the Calicut University.

Under the visionary leadership of Rev. Fr. Sebastian Kalapurackal, the department was formally established in 1998 with the introduction of **one-year craftsmanship programme** where local unemployed youth from neighbouring hamlets were taught and trained hospitality skills and were placed in star category hotels in India. With the success of the one year programme and the demand for such hospitality skills from the Hotel Industry, the department introduced **3- year Diploma program under, the affiliation of Kerala Tourism**. In 2002 the, the department introduced the first Degree program, titled **B.Sc. Degree in Hotel Management and Catering Science**, in the State of Kerala under University of Calicut with an intake of 36 students. The first batch graduated in 2005. In the year 2012, **BSc. in Hotel Management and Culinary Arts** affiliated to University of Calicut was introduced and the first batch graduated in 2015. A 3-year Bachelors Degree in Hotel Administration is been sanctioned by the University of Calicut and is functional from 2021.

<u>Vision</u>

Affiliated to the University of Calicut, ISO 9001-2015 Certified

To be the best hotel Management institute for training and educating aspiring learners of outstanding abilities who can become future leaders for the hospitality industry by working closely and proactively with the industry.

Mission

We train our students with hospitality skills by

Equipping aspiring students with international standards of skill operation by committed trainers.

Working proactively with the industry.

Promoting industrial creativity & innovations

Core Values

Professionalism and Holistic development

Delivering premium quality hands-on skill training

Fostering societal relevance

Intriguing Creativity and Innovations

Gender and social equity

Living Integrity

Eco friendly practices

OBJECTIVES OF THE PROGRAMMES:

- To provide quality education in the field of hospitality, keeping in pace with the international standards.
- Provide competent and well trained manpower to the Hospitality Industry.
- To make students employable.
- To encourage the spirit of entrepreneurship in students.

PROGRAMS OFFERED:

- B.Sc. HMCS- B.Sc. In Hotel Management and Catering Science
- B. Sc. HMCA- B.Sc. in Hotel Management and Culinary Arts
- BHA- Bachelor in Hotel Administration

SCOPE OF THE PROGRAMMES:

Apart from jobs in Hotels and restaurants, hotel management diploma holders /graduates can find good jobs in:

- 1. Airline catering (flight kitchen) and Cabin Services
- 2. Club management
- 3. Cruise Ship Hotel Management
- 4. Hospital administration and catering
- 5. Hotel and Tourism Associations (for eg: state tourism development corporations)

Program Outcomes

- 1. **PO1.Critical Thinking:** Take informed actions after identifying the assumptions that frame our thinking and actions, checking out the degree to which these assumptions are accurate and valid, and looking at our ideas and decisions (intellectual, organizational, and personal) from different perspectives.
- 2. **PO2.Effective Communication**: Speak, read, write and listen clearly in person and through electronic media in English and in one Indian language, and make meaning of the world by connecting people, ideas, books, media and technology.
- 3. **PO3.**Citizenship ethics, and sustainability: Demonstrate empathetic social concern and equity centered national development. Guided by ethics. Promoting social, economic and environment sustainability.
- 4. **PO4.Use of computer skills:** Use of computer skills: Use the knowledge of computers and information technology for data acquisition and data analysis in experimental investigations and in communication.

Affiliated to the University of Calicut, ISO 9001-2015 Certified

5. **PO5: Self-directed and Life-long Learning:** Self-directed and Life-long Learning: Acquire the ability to engage in independent and life-long learning in the broadest context socio-technological changes.

Program Specific Outcomes

By the end of Bachelor of Hotel Administration Degree Programme, a student will:

- **PSO1:** Get familiar with the potentially rich and employable field of hospitality industry.
- **PSO2:** Be eligible for higher studies in the area of hospitality industry.
- **PSO3:** Develop hospitality skills to take up self-employment in global market.
- **PSO4:** Get skill-trained and equipped in core areas of hospitality sector with meeting the requirements in hotels of global repute.

a. Common Courses:

There shall be 10 Common courses (Total 38 Credits) for completing the programme.

These Common Courses 1-6 shall be taught by the English teachers and

7-10 by the teachers of Additional Language and general courses by the teachers of departments offering core courses concerned. The additional language offered in this programme is French. The candidates will not get any chance to opt other languages as their additional language, other than French.

b. Core Courses:

Core courses are the courses in the major subject of the programme. These are offered by the parent department. The number of core courses are 23 including Project work.

c. Complimentary Courses:

These courses cover the subjects related to the core subject and are distributed in first four semesters.

d. Open Courses:

This Course shall be open to all students in the institution except the students in the parent department. All the Core, Complimentary and Open courses for the programme shall be taught by the Hotel Management faculties.

Audit Courses with credit Semester

Environment Studies – Credit 4, Semester 1

Disaster Management - Credit 4, Semester 2

Affiliated to the University of Calicut, ISO 9001-2015 Certified

*Human Rights/Intellectual Property Rights/ Consumer Protection – Credit 4,Semester 3

*Gender Studies/Gerontology- Credit 4 Semester 4

Ability Enhancement courses/Audit courses: These are courses which are mandatory for a programme but not counted for the calculation of SGPA or CGPA. There shall be one Audit course each in the first four semesters. These courses are not meant for class room study. The students can attain only pass (Grade P) for these courses. At the end of each semester there shall be examination conducted by the college from a pool of questions (Question Bank) set by the University. The students can also attain these credits through online courses like SWAYAM, MOOC etc (optional). The list of passed students must be sent to the University from the colleges at least before the fifth semester examination. The list of courses in each semester with credits are given below.

CRE DITS

Each course shall have certain credits for passing the BHA programme, the student shall be required to achieve a minimum of 120 credits of which 38(14 for common English courses + 8 for common language other than English+ 16 credits for general common courses) credits shall be from common courses, a minimum of 2 credits for project and 3 credits for open courses.62 credits from core courses, 16 credits from complimentary courses So minimum credits required for core, complimentary and open course put together are 82 (Including minimum 2 credits for each Practical, i.e., 2X4=8 credit for all the practical).

In all other matters regarding the BHA programme under Choice Based Credit Semester System which are not specified in this regulation, the common regulation CBCSS 2014 will be applicable

ATTENDANCE

A student shall be permitted to appear for the semester examination only if he/she secures not less than 75% attendance for theory classes and 90% of the number of practical classes actually held for each of the course in a semester. If the candidate has shortage of attendance in any course in a semester, he/she shall not be allowed to appear for any examination in that semester. However the University may condone shortage if the candidate applies for it as laid down by the University common regulations for CBCSS 2014 and if the Vice Chancellor is satisfied with the reason cited by the candidate for the absence in classes.

Pongam, Koratty East, Thrissur District, Kerala State, India. Pin-680308. Phone +91 9605001987, 04802730340, 2730341, 2733573

EVALUATION AND GRADING

1. Mark system is followed instead of direct grading for each question. For each course in the semester letter grade and grade point are introduced in 10-point indirect grading system as per guidelines given in Annexure-1

a. Course Evaluation

The evaluation scheme for each course shall contain two parts:

- 1) Internal assessment and
- 2) External examination

20% weight shall be given to the internal assessment. The remaining 80% weight shall be for the external evaluation.

1. Internal Assessment

20% of the total marks in each course are for internal examinations. The marks secured for internal assessment only need to be sent to University by the colleges concerned.

The internal assessment shall be based on a predetermined transparent system involving written tests, assignment, seminar and class room participation based on attendance in respect of theory courses and lab involvement/records attendance in respect of Practical Courses.

Internal assessment of the project will be based on its content, method of presentation, final conclusion and orientation to research aptitude.

Components with percentage of marks of Internal Evaluation of Theory Courses are-Test paper 40%, Assignment 20%, Seminar 20% and Class room participation based on attendance 20%.

For practical courses - Record 60% and lab involvement 40% as far as internal is concerned. (If a fraction appears in internal marks, nearest whole number is to be taken)

For the test paper marks, at least one test paper should be conducted. If more test papers are conducted, the mark of the best one shall be taken.

Affiliated to the University of Calicut, ISO 9001-2015 Certified

To ensure transparency of the evaluation process, the internal assessment marks awarded to the students in each course in a semester shall be notified on the notice board at least one week before the commencement of external examination. There shall not be any chance for improvement for internal marks. The course teacher(s) shall maintain the academic record of each student registered for the course, which shall be forwarded to the University by the college Principal after obtaining the signature of both course teacher and Head of the Department.

The Split up of marks for Test paper and Class Room Participation (CRP) for internal evaluation are as follows.

Split up of marks for Test paper:

| Range of Marks in test paper | Out of 8 (Maximum internal marks is 20) |
|------------------------------|---|
| Less than 35% | 1 |
| 35% - 45% | 2 |
| 45% - 55% | 3 |
| 55% - 65% | 4 |
| 65% -85% | 6 |
| 85% -100% | 8 |

Split up of marks for Class Room Participation:

Range of CRP out of 4 (Maximum internal marks is 20)

50% < CRP 75% 1

75% ≤CRP 85% 2

85 % and above 4

External Evaluation

External evaluation carries 80% of marks. All question papers shall be set by the University. The external

Affiliated to the University of Calicut, ISO 9001-2015 Certified

question papers may be of uniform pattern with 80 marks (The pattern is given in the Annexure III). The open courses with 2/3 credits will have an external examination of 2 hours duration with 40 marks and courses with 4/5 credits will have an external examination of 2.5 hours duration with 80 marks.

The external examination in theory courses is to be conducted by the University with question papers set by external experts. The evaluation of the answer scripts shall be done by examiners based on a well-defined scheme of valuation and answer keys shall be provided by the University. The external examination in practical courses shall be conducted by two examiners – one internal and an external, the latter appointed by the University. The project evaluation with viva shall be conducted by one external examiner appointed by the University and one internal examiner from the concerned institution. (Guidelines are given in the Annexure II).

After the external evaluation only marks are to be entered in the answer scripts. All other calculations including grading are done by the University.

Revaluation: In the new system of grading, revaluation is permissible. The prevailing rules of revaluation are applicable to CBCSSUG 2019.

Students can apply for photocopies of answer scripts of external examinations. Applications for photocopies/scrutiny/revaluation should be submitted within 10 days of publication of results. The fee for this shall be as decided by the University.

INDIRECT GRADING SYSTEM

- 1. Indirect grading System based on a 10- point scale is used to evaluate the performance of students.
- **2.** Each course is evaluated by assigning marks with a letter grade (O, A+, A, B+, B, C, P, F, I or Ab) to that course by the method of indirect grading (Annexure I).
- **3.** An aggregate of P grade (after external and internal put together) is required in each course for a pass and also for awarding a degree (A minimum of 20% marks in external evaluation is needed for a pass in a course. But no separate pass minimum is needed for internal evaluation). No separate grade/mark for internal and external will be displayed in the grade card; only an aggregate grade will be displayed. Also the aggregate mark of internal and external is not displayed in the grade card.

Pongam, Koratty East, Thrissur District, Kerala State, India. Pin-680308. Phone +91 9605001987, 04802730340, 2730341, 2733573

Affiliated to the University of Calicut, ISO 9001-2015 Certified

- **4.** A student who fails to secure a minimum grade for a pass in a course is permitted to write the examination along with the next batch.
- **5.** After the successful completion of a semester, Semester Grade Point Average (SGPA) of a student in that semester is calculated using the formula given below. For the successful completion of a semester, a student should pass all courses. However, a student is permitted to move to the next semester irrespective of SGPA obtained.

SGPA of the student in that semester is calculated using the formula:

SGPA = Sum of the credit points of all courses in a semester

Total credits in that semester

6. The Cumulative Grade Point Average (CGPA) of the student is calculated at the end of a programme. The CGPA of a student determines the overall academic level of the student in a programme and is the criterion for ranking the students. CGPA can be calculated by the following formula.

Total credit points obtained in six semesters CGPA = Total credits acquired (120)

7. SGPA and CGPA shall be rounded off to three decimal places. CGPA determines the broad academic level of the student in a programme and is the index for ranking students (in terms of grade points). An overall letter grade (cumulative grade) for the entire programme shall be awarded to a student depending on her/his CGPA (Annexure-I)

Scheme of Examinations:

The external QP with 80 marks and internal examination is of 20 marks. Duration of each external examination is 2.5 Hrs. The pattern of External Examination is as given below. The students can answer all the questions in Sections A & B. But there shall be Ceiling in each section.

| Section A | Short answer type | 2 marks - 15 questions | Ceiling - 25 |
|-----------|-------------------------|------------------------|--------------|
| Section B | Paragraph/ Problem type | 5 marks 8 questions | Ceiling - 35 |
| Section C | Essay type | 10 marks 2 out of 4 | 2X10=20 |

PRACTICALS

There are eight practical courses for the programme which are connected with the theory courses. The maximum marks for such courses are as follows:

| | External | Internal | Total |
|-----------|----------|----------|-------|
| Theory | 60 | 15 | 75 |
| Practical | 20 | 05 | 25 |

The students have to maintain a record on practical attended and submit it into the department for internal evaluation. The practical shall be subject to internal and external evaluation. The internal evaluation shall be carried out by the supervising teacher and external evaluation by the examiners appointed by the University inclusive of Viva-voce examinations. The student shall get minimum E grade in practical examination for a pass.

INDUSTRIAL EXPOSURE TRAINING

Each student has to undergo Industrial Exposure Training of 20 weeks duration- four weeks each in the following departments of any Hotel of national o r global repute.

- 1. Front Office
- 2. Housekeeping
- 3. F&B Production
- 4. F&B Service

After the completion of training, the students shall immediately be submitting an industrial exposure training report within two weeks .This Report will be evaluated internally .Each student has to have a certificate of successful completion of training.

AWARD OF DEGREE

The successful completion of the courses (Common, Core, Complimentary and Open courses) prescribed by the programme with E- grade (minimum 40% -for external and 40% for internal) shall be the minimum

Affiliated to the University of Calicut, ISO 9001-2015 Certified

requirement for the award of degree.

PROJECT REPORT

During the sixth semester every student shall do a project .The student may choose any topic from the subjects he/she has studied .The candidate shall prepare and submit a project report to the department. The report shall be in manuscript / typed and bound with not less than 20-25 A4 size pages. The project report should be submitted to the Department one month before the last working day of the sixth semester.

Project work shall have the following stages

- Project proposal presentation
- Field work and data analysis
- Report writing
- Draft project report presentation
- Final project report submission

The project should be done individually. The work of each student shall be guided by one Faculty member. The candidate shall prepare at least two copies of the report: one copy for submission to the Department and one copy for the student which he/she has to bring with him/her at the time of viva voce. More copies may be prepared If the organization or the guide or both ask for one copy each.

The duration for project work is 3 weeks. A certificate showing the duration of the project work shall be obtained from the supervising teacher or from the organization for which the project work was done and it shall be included in the project report.

Structure of the report

- Title page Certificate from the organization (If the project work is done under an organisation.)
- Certificate from guide
- Acknowledgements
- Contents

Affiliated to the University of Calicut, ISO 9001-2015 Certified

- ✓ Chapter I: Introduction (Organization profile, Research problem, objectives of the study, Research methodology etc.)
- ✓ Chapter II Review of literature
- ✓ Chapters III and IV: Data Analysis (2 or 3 chapters)
- ✓ Chapter V: Summary, Findings and Recommendations.
- ✓ Appendix (Questionnaire, specimen copies of forms, other exhibits etc.)
- ✓ Bibliography (books, journal articles etc. used for the project work). The project evaluation shall be conducted at the end of sixth semester. 20% of marks are awarded through internal assessment.

COMPREHENSIVE SELF STUDIES

In the fifth semester, the candidates have to face an examination with multiple-choice questions. The credit for this course is Two. It is a two-hour examination with 100 marks and there is no internal mark for this course. Out of 120 questions, 100 questions must be answered. The questions will be selected from a question pool, prepared by the board of studies. The evaluation of answer scripts will be done externally.

HOTEL REPORT (Viva Voce)

After the completion of training, the students shall immediately be submitting an Industrial Exposure Training report within two weeks. This Report shall also carry two hundred and fifty marks. The marks shall be awarded by the concerned training coordinator of the college, based on the

Viva Voce and the report submitted by the student. Each student has to have a certificate of successful completion of training

Programme Structure and infrastructure in the Department of Hotel Management

The programme consist of Common, Core, Complementary and Open courses. Laboratory activities are confined to II, III, IV & VI semesters. Practicals are conducted by specialized faculty members. Each lab is provided with attenders to cater to the needs of the students. The labs are designed as per international standards to deliver a hotel environment to the student community. Add-on courses of 30 hours are conducted in all the years of the programme to enhance the chances of employability. Events are conducted by classes for experiential learning. Students are encouraged to take part in various hospitality

competitions conducted by the department as well as by Hotel Management Institutes in India and abroad. Workshops in vegetable, fruit and ice carving, fish fillet and wine services are conducted in the II and Final years.

ADVANCE TRAINING KITCHEN

To develop and fine tune the cooking skills, the students go through cookery practical in the Advanced Training Kitchen. To supplement these skills, regular demonstrations are given by the faculty and Industry Professionals in the demonstration Kitchen. The College believe in giving world class facilities to students to explore their culinary skills. The Advance Training Kitchen is designed to understand the concepts of international preparations and requirements of plating. Here students are developed to be a certified professional in Culinary Arts through hands on experiencein various International cuisines.

BASIC TRAINING KITCHEN

Our food production lab is designed as per international standards for training hospitality students. It is equipped with all latest modular kitchen equipment and students are provided with individual work stations for effective training. The spacious and well ventilated kitchen lab helps the students to learn the essentials of food production.

Affiliated to the University of Calicut, ISO 9001-2015 Certified

BAKERY DEMONSTRATION LAB

The college has bakery kitchen which is not only spacious but also include the important equipment and amenities used to bake items in the hospitality industry. Live demonstration of baking various items is another aspect of the practical training imparted to the students. Here students are taught with the elementary knowledge of source, properties and use of materials like oils, eggs, sugar and dry fruits, leaving agents, preparation of ingredients, movements in mixing, recipes temperature etc Students are not only given demonstration but also are allowed to practice the making of products like cakes and pastries, lemon curd tart, sponge cake, swiss roll etc. The college has well designed Demonstration lab for Food production and Bakery classes. The equipment are available keeping in mind the latest technology to give the students an updated information and exposure. Experts from the industry are invited to take classes in this lab which allows students to learn the details of the subject. The experiences are shared by the experts to the students which help in their transformation to a professional as per the standards of the industry.

FOOD AND BEVERAGE SERVICE LAB

Affiliated to the University of Calicut, ISO 9001-2015 Certified

A Food and Beverage service lab or restaurant is a formation that prepares and caters food and drinks. The College has designed a well-equipped Mock F and B Service lab i.e. Cafe and Restaurant, equipped with all the facilities which are required to train students with over all functioning of F and B Service department that includes banquets, restaurant and bar. Individual attention is given to all the students during practical sessions.

FRONT OFFICE LAB

Front Office studies cannot be completed without extensive lab sessions, Our Front Office lab is well equipped with all modern accessories ranging from front desk, telephone, hands-free reservations, Whitney rack, Bell desk, Computer terminals, with IDS Fortune student version, aiming to create tomorrow's leaders. Front office in any hotel is considered as face of that property. Welcoming a guest, handling their queries, reservations, EPBAX are all important function of Front Office. Our Front Office lab is equipped with all the facilities which are required to train the students effectively.

GUEST ROOM

The department has a well-designed guestroom. This guestroom is equipped with all the modern facilities which are needed in today's hospitality world. Mock guestroom provides an idea to the students at The Hotel School to visualize the actual guestrooms of the hotel. The Facilities and Practical conducted in this room give a professional approach to the students.

HOUSE KEEPING LAB

Skills of receiving and accommodating guests are taught here. In addition, Front of the house skills are taught and the students are groomed to be efficient Front Office professionals with adequate general knowledge and accounting skills. Maintenance of Property, Interior Decoration, Flower arrangement, Fabric handling, Laundry management etc are practiced here. The housekeeping lab is equipped with the most modern equipment like the Wet & Dry Vacuum Cleaner, Washing Machine, Steam Press, Maid's Trolley, and Linen Basket Trolley etc. The Department also consists of a Laundry-Linen room and Housekeeping Lab. The college provides Housekeeping practical training in its magnificent and well maintained Guest room and Practical Lab. Our House keeping lab is fully

equipped with cleaning equipment and materials which are utilized in hotel for maintaining the aesthetic look of hotel property.

MOCK BAR

The Mock Bar provides students an opportunity to practice their knowledge in the field of Bar management. This bar consists of modern equipment and tools which are used in bar operations in the industry. Bar is a specialized counter on which drinks are served to customers by bartenders. This is the place where customers can sit at tables and are served cocktails and mock tails by servers.

LANGUAGE LAB

To facilitate the students in developing their communication skills, Naipunnya has the latest language lab. The intricacies of the language, be it English or any other major European language are dealt in the respective language classes in the language lab.

Affiliated to the University of Calicut, ISO 9001-2015 Certified

AUDIO-VIDEO ROOMS:

The audio-video room in the institute helps the students to go through the latest educational videos on various topics ranging from Hospitality, News briefs and IT scoops to personality development.

COMPUTER LABS

In today's world of technology, computer knowledge is must for every student. Hotel industry is equipped with latest technology and software. The department is equipped with Wi-Fi enabled computer lab. This lab has latest technology and software which is used to teach students to update them with the essential knowledge of computers

Training and Placement

Aiming at the overall development of the students by providing more opportunities for co-curricular activities and generating genuine interest in learning, Naipunnya has developed the Training and Placement cell. P & T cell arranges Industrial Training in five star and international chain hotels like Taj hotels, Leela hotels, and inter-Continental for the students to acquire more knowledge and to acquaint with various departments in hotels in India and abroad (Holiday Inn, Muscat and Taj Maldives).

Over the years, NIMIT has maintained cordial relations with the hospitality industry. This, along with our pedagogy, has facilitated an excellent placement record for the institution. To guide, train and prepare students to be industry-ready

- We organize visits to facility services of hotels to expose the students to practical scenarios
- We organize sessions by industry experts on current practices and industry expectations for future employees
- We conduct grooming and personality development sessions by internal resources and Training
 Managers from the industry
- We counsel the students and conducts drills on enhancing communication and interview skills
- We conduct specialized training on technical aspects of Hotel Operations

Affiliated to the University of Calicut, ISO 9001-2015 Certified

ENG1A02: FUNCTIONAL GRAMMAR AND COMMUNICATION IN ENGLISH

| COURSE CODE | A02 |
|--|---|
| Title of the Course | Functional Grammar and Communication in English |
| Semester in which the course is to be taught | 1 |
| No. of Credits | 3 |
| No of contact hours | 90(5 Hours / Week) |

Affiliated to the University of Calicut, ISO 9001-2015 Certified

AIM OF THE COURSE:

This course aims at preparing undergraduate students to learn how to use the structure of language systematically and to get a good command over the language to produce the learned grammatical structures accurately. It aims to enable the learner to communicate effectively at the written and spoken level appropriately in real-life situations.

Course Objectives

- 1. To identify the key concepts of English grammar.
- 2. To describe the use of appropriate language through the understanding of the sentence patterns in English.

Course Outcomes

- CO1: Demonstrate the ability to use the syntactic structures within English texts.
- CO2: Distinguish logical and analytical skills in the use of language for communication.
- CO3: Develop writing skills in various professional and career related situations
- CO4: Formulate the basic skills in spoken communication in formal contexts

| TITLE OF THE COURSE | READINGS FROM THE FRINGES |
| SEMESTER IN WHICH COURSE IS TO BE TAUGHT | 2 |
| NO. OF CREDITS | 4 |
| NO. OF CONTACT HOURS | 72 (4hrs/week) |

Aim of the Course:

This course aims to make the student understand the gender inequality, marginalization, disability studies, racism and casteism in our society. Though this engagement has been part of literary academic analysis, it has just begun making its foray into the syllabus of English departments of Indian universities. This paper hopes to introduce undergraduate students to perspectives within literatures that acquaint them with both experiences of marginalization, as well as the examination of modes of literary stylistics that offer a variation from conventional practice.

Course Objectives

- 1. To inculcate and apply the concepts of democracy and freedom in life and understand the basic tenets of our constitution
- 2. To critically think and examine various social issues prevailing in our society

Course Outcomes

CO1: Discuss and contemplate on the areas of gender inequality, marginalization, disability studies, racism and casteism

Naipunnya To reach the unreachable

Naipunnya Institute of Management & Information Technology

Affiliated to the University of Calicut, ISO 9001-2015 Certified

CO2: Develop sensitivity towards environmental concerns and feel responsible towards protecting nature.

CO3: Understand the everyday realities of the marginalized sections of the society and negate the stereotypes surrounding them and accept them as allies.

CO4: To develop scientific temper and scientific thinking

7.BHA2C02 HOSPITALITY LAW

Course Objective

- a) This course enables the students to know the regulations of the government, to set up a hotel and tourism industry.
- b) This course helps to create awareness among students about service industry related laws like contract act, industrial legislation, food adulteration act, and tourism-related laws.

Affiliated to the University of Calicut, ISO 9001-2015 Certified

Course Outcomes

CO1: Define contracts and identify the legislation that affects the hospitality facilities.

CO2: Describe the key areas of hotel legislation.

CO3: List the licenses required for operating catering establishments and its procedure of procurement and renewal.

CO4: Discuss and select appropriate courses of action when faced with legal problems

Detailed Syllabus:

Module 1: Introduction to Dining Etiquette

- Importance of Dining Etiquette
- Basic principles of table manners
- Overview of the course objectives and expectations

Module 2 Table Settings and Arrangement

- Proper placement of utensils, glassware, and tableware
- Setting the table for different occasions
- Napkin folding and placement

Module 3: Eating Techniques

- Demonstrating the use of various utensils
- Techniques for handling challenging foods
- Maintaining proper posture during a meal

Module 4: Handling Different Courses

- Understanding the sequence of courses
- Appropriate behavior during each course
- Starting and finishing each course gracefully

Module 5 Practical Application

- Hands-on practice sessions
- Individual and group exercises
- Feedback and refinement of dining etiquette skills

Semester III

1. A11- Basic Numerical Methods

Course Objective

To enable the students to acquire knowledge of numerical equations, matrices progressions, financial mathematics and descriptive statistics

At the end of this course, the students will be able to understand numerical equations, matrix, progression, financial mathematics, descriptive statistics and their applications.

Course Outcomes

CO1: Students acquire knowledge of mathematics and statistics.

CO2: Students develop skills like logical thinking, reasoning and problem solving skills as powerful tools in computing.

CO3: Students gain knowledge on applying interpolation, statistical tools, and their application.

CO4: Students will be able to effectively utilize the numeracy skills and statistical tools of analysis to make inferences in their life situations.

SYLLABUS

Naipunnya Naipunnya

Naipunnya Institute of Management & Information Technology

Affiliated to the University of Calicut, ISO 9001-2015 Certified

Module I: Numerical expressions and Equations:

Simultaneous linear equations (up to three variables), Quadratic equations in one variable-factorization and quadratic formula

Module II: Matrices:

Introduction - type of matrices -trace and transpose and determinants - matrix operations - adjoint & inverse-rank- solving equations by matrices: Cramer's Rule(not more than 3 variables).

Module IIISequence, Series and Progression:

Concepts and differences - Arithmetic progression- nth term and sum of n terms of an AP - Insertion of Arithmetic means in AP - Geometric progression- 'n' term and sum of n terms of an GP - Insertion of Geometric Mean in GP - Harmonic progression.

Module IV: Interest and Time value:

Concept of interest-Types of interest: Simple interest and compound interest – nominal, real and effective rate of interest. Future value and Present Value; Annuity and Perpetuity; Computing future and present values of annuity (regular and immediate) - multi and growing period perpetuity. Compound annual growth rate- computation of Equated Monthly Installments (EMI)

Module V:Descriptive Statistics:

Measures of Central Tendency – Mean: Arithmetic mean, Geometric mean and Harmonic Mean-Median, Mode and other position values. Measures of Dispersion: mean deviation, quartile deviation, standard deviation and coefficient of variation. Measures of Skewness and Kurtosis.

2. A12 Professional Business Skills

Course Objective

To update and expand basic Informatics skills of the students

To equip the students to effectively utilize the digital knowledge resources fortheir study

Course Outcomes

CO1: Facilitates easy business communication.

CO2: Improved knowledge of E-learning resources and its delivery broadens vision and insight of management.

CO3: Knowledge of artificial intelligence and data analysis helps to diversify and grow business cutting across obstacles

CO4: Knowledge of existing national and international cyber laws makes communication and business easier.

SYLLABUS

Module 1: Introduction to Cookery

- Levels of skills and Experience
- Attitudes and Behavior in the Kitchen
- Personal Hygiene
- Safety Procedure in Handling Equipment
- Aims and objectives of cooking food
- Various textures
- Basic Culinary terms.
- HIERARCHY AND DEPARTMENT STAFFING- Classical Brigade- Modern staffing in various category hotels-Role of Executive Chef-Duties & Responsibilities of various chef-Cooperation with other Department.
- KITCHEN ORGANIZATION & LAYOUT- General layout of kitchen in various organization-Layout of Receiving Areas- Layout of storage Area-Layout of service and wash up- Various Fuels used-Advantages & Disadvantages.

Module 2: Basic Principles of Food Production

Affiliated to the University of Calicut, ISO 9001-2015 Certified

- Introduction, Classification of vegetables
- Effects of heat on vegetables
- Cuts of vegetables
- Classification of fruits- Uses of Fruit in Cookery
- Salads & Salad dressing
- Stocks- Definition of Stock- Types of Stocks- Preparation of stock- Storage of Stocks Uses of Stocks
- Soups -Classification of soups with examples- Basic recipes- Consommés- Garnishes and accompaniment for Soups
- Classification of Sauces- Recipes for mother Sauces- Derivatives.

Module 3: Meat, Rice & Pulses

- Meat; Introduction- Cuts of Beef/Veal- Cuts of Lamb/Mutton- Cuts of Pork Variety meats (Offal).
- Fish; Classification of fish with examples Cuts of fish Selection fish and & shellfish- Cooking of fish.
- Egg; Introduction of Egg Cookery- Structure of an egg- Selection of egg- Uses of egg in Cookery.
- Rice; Introduction Classification and Identification Cooking of rice,
- Cereals & pulses Varieties of rice & other cereals.

Module 4: Methods of cooking food

- Roasting, Grilling, Frying, Baking, Broiling, Poaching, Boiling.
- Basic commodities: Flour; Types of wheat- Types of flour -. Uses of flour in food production
- Shortening- Role of shortening- Varieties of shortenings- Advantages & Disadvantages of using different shortenings
- Fats & Oil Types, varieties
- Raising agents
- Classification of raising agent- Role of raising agents.
- Sugar; Importance of sugar- Types of sugar- Cooking of sugar- (various stages)- Uses of sugar

Module 5: Beverages, Milk & Milk Products

- Tea; Types of tea available- Preparing tea for consumption- Popular brand.
- Coffee; Types of coffee- Preparing coffee- Varieties of coffee- blends

Affiliated to the University of Calicut, ISO 9001-2015 Certified

- Chocolate- Manufacture of chocolates- Types of chocolates Tempering of chocolates.
- Milk; Pasteurization, Homogenization, Types of milk. e.g. skimmed condensed.- Nutritive value.
- Cream; Processing of cream Types of cream
- Butter Processing of butter- Types of butter.
- Cheese; Processing of cheese- Types of cheese- Classification of cheese- Cooking of cheese- Uses of cheese.
- Uses of herbs and wines in cookery.

SYLLABUS

Module 1: Introduction to catering

- Introduction to the Hotel Industry and growth of the hotel Industry in India
- Catering establishments: Definition and structure
- Role of catering establishment in the travel/tourism industry Classification of the catering industry

Module 2: Department organization and staffing

Organization of Food and Beverage department of hotel Principal staff of various types of F&B

Affiliated to the University of Calicut, ISO 9001-2015 Certified

operations, duties and responsibilities

- French terms related to F&B staff.
- Inter-departmental relationships (Within F&B and other department)
- Attributes of a waiter- Personal hygiene, punctuality, personality, attitude towards guests, appearance, salesmanship and sense of urgency
- Types of restaurants: overview and key characteristics coffee shop, continental restaurants, specialty restaurants, pubs, night clubs, discotheques, snack and milk bar.

Module 3: Operating equipments

- Classification of crockery, cutlery, glassware, hollowware, flatware and special equipments
- Restaurant linen and furniture
- Dummy waiter- arrangement and uses during services. Ancillary departments: Pantry, still room, silver room, wash-up and hot-plate.

Module 4: Menu

- Origin of menu, Objectives of Menu Planning, Types of menu- table d'hôte menu, a la carte menu (Cover and layout) French classical menu with examples
- Food and their usual accompaniments
- Breakfast: Types, menu for each type, terms used in the service of continental breakfast
- Cover laying for continental and English breakfast. Order taking procedures: In-person, telephone and doorhangers.

Module 5: Types of Service

- Different styles of service, advantages and disadvantages. Restaurant service: Misenscene, Misen place.
- Points to be remembered while laying a table, Do's and don'ts in a restaurant
- Sequence of service
- Floor / Room service: Meaning, Full & Partial room service, Breakfast service in room, tray &trolley set-up for room service Lounge service: Meaning, organization of loungeservice.
- Tea service: Afternoon tea and high tea, order of service.
- Banquets and buffets Types and layout.

7. BSH3B04 (P) Nutrition Hygiene and Sanitation

Course Objective

To describe the roles of major nutrients in the human body.

To get an overview of minor nutrients and tackling their deficiency with the help of Nutrition.

Affiliated to the University of Calicut, ISO 9001-2015 Certified

To apply the knowledge of menu planning and calculation of a balanced diet.

To elaborate upon the various issues of contamination and food borne illness.

To analyze the responsibilities of a safe food handler.

Course Outcomes

CO1: To describe the characteristics, functions and food sources of major nutrients

CO2: Develop practical skills in implementing sanitation and safety protocol.

CO3: Implement effective food handling practices.

CO4: Develop critical thinking skills to access and address challenges related to nutrition retention.

8. BSH/C 3CO6 Facility Planning

| Course Objective |
|--|
| |
| Learn about various guidelines for hotel designing. |
| Understand the various classifications approved for hotels in India. |
| Learn the details of facility planning in terms of restaurant, kitchen and bar |
| Understand the various methods used for project Management. |
| Learn about the various methods used to conserve energy in hotels |
| Course Outcomes |

Affiliated to the University of Calicut, ISO 9001-2015 Certified

CO1: Understand the basics of Hotel design.

CO2: Prepare layout for hotel kitchen, restaurant and bar

CO3: Prepare Network diagram and calculate critical path

CO4: Will learn the various energy conservation methods that can be utilized in hotels

SYLLABUS

Module -I

HOTEL DESIGN: Hotel design considerations, Systematic Layout Planning, Rules for allocation of space in a hotel.

Module-II

HOTEL CLASSIFICATION: Types of hotel, Guidelines for Approval of Hotel Projects and its classification, Classification of hotels including Heritage and Apartment Hotels

Module -III

KITCHEN and RESTAURANT DESIGN: Designing and planning restaurant, Bar design, Physical layout

Naipunnya

Naipunnya Institute of Management & Information Technology

Affiliated to the University of Calicut, ISO 9001-2015 Certified

of kitchen, Kitchen configuration and environmental conditions

Module-IV

PROJECT MANAGEMENT: Basic rules and procedure for network analysis, CPM & PERT, Comparison of CPM & PERT

Module V

ENERGY CONSERVATION PROGRAMME IN HOTEL INDUSTRY: Energy conservation, conservation of energy in different hotel areas, Energy Audit

Reference Books:

- Systematic layout planning-Richard Muther Cahners
- Hotels and resort planning by Fred Lawson
- Food service planning-layout and equipment-Lendall H Kotschevar, Margret E Tarell
- Hotel facility planning-Tarun Bansal

Add-on Course: Basics in Computer Applications Course Code: NHM3AOP-01

Course Objective

Familiarize students with various operating systems

Learn essential skills for navigating and managing files in different operating environments.

Develop proficiency in using Microsoft Word, Excel, and PowerPoint for document creation, data analysis, and presentations. Learn to use email effectively for communication and collaboration.

Course Outcomes

CO1: Create and edit documents, spreadsheets, and presentations using Microsoft Office applications

Affiliated to the University of Calicut, ISO 9001-2015 Certified

CO2: Effectively browse the internet and use email for communication and information retrieval.

CO3: Design and query databases using basic database management principles.

CO4: Email etiquette and effective communication for professional use

CO5: Hands-on experience with basic POS operations and transactions

Detailed Syllabus:

Module 1 Introduction to Computers and Operating Systems

- Overview of Computers and their components
- Understanding operating systems (Windows, MacOS, Linux)
- Basic file management and organization

Module 2 Microsoft Office Suite

Microsoft Word: Document creation, formatting, and basic editing

Affiliated to the University of Calicut, ISO 9001-2015 Certified

- Microsoft Excel: Spreadsheet creation, formulas, and data analysis
- Microsoft PowerPoint: Creating effective presentations for the hospitality Industry

Module 3 Internet and Email Basics

- Browsing the internet: Search engines, Websites, and online resources
- Email etiquette and effective communication for professional use

Module 4 Introduction to Data Management

- Basics of databases and their application in the hotel industry
- Introduction to data entry and data organization

Module 5 Introduction to Hospitality Management Software

- Overview of Property Management Systems (PMS) used in hotels
- Basic functionalities of reservation systems and booking platforms
- Understanding POS systems and their role in the hospitality sector
- Hands-on experience with basic POS operations and transactions

Semester V

1. BHAB12 Industrial Exposure Training and Report

Course Objective

The objective of industrial training is to provide students the feel of the actual working environment and to gain practical knowledge and skills, which in turn will motivate, develop and build their confidence. Summer Batch: Mostly starts from June/July onwards.

Both hands-on experience and classroom learning are important while considering a candidate for the internship. Maintaining good grades and attendance during college is one way to enhance your chances of securing an internship at a good hotel

Course Outcomes

CO1: To improve the Students' employability skills and ensure smooth on boarding to their careers

Affiliated to the University of Calicut, ISO 9001-2015 Certified

CO2: It helps them to translate the knowledge gained from the institute to be put to practice

CO3: Helps them gain work related skills and expertise related to their future career

CO4: Real work situations enable them to establish their career goals.

SYLLABUS

BHA5B12: INDUSTRIAL EXPOSURE TRAINING AND REPORT

IndustrialExposureTrainingisanintegralpartofthecurriculum.Astudent hastoundergoindustrialtrainingminimumof22weeksatasinglestretch.Theywill be awarded 200 marks (150 marks external evaluation and 50 marks internal evaluation) for the industrial training, report and viva voice.

1) The award of 200 marks of IET would be based on feedback from the industry in a prescribed Performance Appraisal Form (PAF). It will be the students' responsibility to get this feed-

Affiliated to the University of Calicut, ISO 9001-2015 Certified

back/assessment form completed from all the four departments of the hotel for submission to the institute at the end of Industrial Training.

- 2) Responsibilities of institute, hotel, the student/trainee with aims & objectives have been prescribed for adherence.
- Once the student has been selected/ deputed for Industrial Training by the Institute, he/she shall not be permitted to undergo it elsewhere. In case students make direct arrangements with the hotel for Industrial Training, these will necessarily have to be approved by the institute. Students selected through campus interviews will not seek Industrial Training on their own.

INDUSTRIAL EXPOSURE TRAINING

Objective of Industrial Exposure Training is to provide students the feel of the actual working environment and to gain practical knowledge and skills, which in turn will motivate, develop and build their confidence. Industrial Training is also expected to provide the students with the basis to identify their key operational areas of interest.

RESPONSIBILITIES OF THE TRAINEE

- 1. Should be punctual
- 2. Should maintain the training log book up-to-date
- 3. Should be attentive and careful while doing work
- 4. Should be keen to learn and maintain high standards and quality of work
- 5. Should interact adhere to the prescribed training schedule.
- 6. Should take the initiative to do the work as training is the only time where you can get maximum exposure.
- 7. Should on completion of industrial Training, hand over all the reports, appraisal, logbook and completion certificate to the institute.

RESPONSIBILITIES OF THE INSTITUTE

- 1. Should give a proper briefing to students before the industrial training
- 2. Should make the students aware of the industry environment and expectations.

Affiliated to the University of Calicut, ISO 9001-2015 Certified

Should notify the details of the training schedule to all the students

- 3. Should coordinate (emergencies) with the hotel especially with the training manager
- 4. Should visit the hotel wherever possible, to check on the trainees
- 5. Should sort out any problem between the trainees and the hotel
- 6. Should take proper feedback from the students after the training
- 7. Should brief the students about appraisals, attendance, marks, logbook and training report.
- 8. Should ensure trainees procure training completion certificates from the hotel before joining the institute.

RESPONSIBILITIES OF THE HOTEL

First exposure: A young trainee's first industry exposure is likely to be the most influential in that person's career. If the managers/supervisors are unable or unwilling to develop the skills young trainees need to perform effectively, the latter will set lower standards than they are capable of achieving, their self-images will be impaired, and they will develop negative attitudes towards training, industry, and in all probability - their careers in the industry.

- 1. Should give a proper briefing session! Orientation/induction before the commencement of training.
- 2. Should make a standardized training module for all trainees.
- 3. Should strictly follow the structured training schedule.
- 4. Should ensure cordial working conditions for the trainee.

2. BHA5 Comprehensive Self Study

Course Objective

To understand the student capacity of theoretical knowledge in which they studied in all the previous semesters

To analyze the student capacity to solve the questions within the stipulated time.

Affiliated to the University of Calicut, ISO 9001-2015 Certified

To improve the observing and listening capacity of students in the classrooms and the other learning areas, including training

Course Outcomes

CO1: Check the student's capacity of theoretical knowledge in which they studied in all the previous semesters.

CO2: Analyze the student capacity to solve the questions within the stipulated time.

CO3: Improve the observing and listening capacity of students in the classrooms and the other learning areas, including training.

SYLLABUS

This course aims to assess the student's knowledge of the entire programme in which he/she has gone through. It will be assessed by conducting a Multiple Choice Questions (MCQ) examination with two hours duration. 120 multiple-choice questions will be asked, out of which 100 questions must be answered, in the examination. The answer scripts will be sent for external evaluation.

The main objectives of this course are,

- 1. To understand the student capacity of theoretical knowledge in which they studied in all the previous semesters.
- 2. To analyze the student capacity to solve the questions within the stipulated time.

Affiliated to the University of Calicut, ISO 9001-2015 Certified

3. To improve the observing and listening capacity of students in the classrooms and the other learning areas, including training.

3. BHA5B14: HUMAN RESOURCES MANAGEMENT

Course Objective

To familiarize the students with the different aspects of managing human resources in an organization

To impart basic knowledge about job analysis and Human resource planning in an organization.

To equip the students with basic knowledge and skills required for the recruitment, selection and retention of human resources

Course Outcomes

CO1: Familiarize the students with the different aspects of managing human resources in an organization.

CO2: Acquire basic knowledge about job analysis and Human resource planning in an organization.

CO3: Equip the students with basic knowledge and skills required for the recruitment, selection and retention of human resources.

CO4: Develop skills in recruiting, selecting, training, motivating, and retaining employees.

1. Course Evaluation and CIE

Effective implementation of Continuous Internal Evaluation Systems mooted by the University is being strictly performed which has also seen reforms from time to time. The institution has taken many operative measures for the effective application of the evaluation reforms. The institute has an exam cell headed by the Chief Examiner for the smooth conduct of all examinations. Examination Cell takes all precautions while preparing Examination Time table, Invigilation duty chart, seating plans for the students in the Examination halls. Examination cell takes necessary steps for handling Question paper (printing, counting, bundling, packing and sealing) and collecting back Answer sheets and distribution to concerned teachers after completion of the exam.

Continuous Internal Evaluation is divided into following sections:

- First Internal Examination
- Model Examination

Affiliated to the University of Calicut, ISO 9001-2015 Certified

- Assignment
- Seminar
- Viva

Evaluation and Grading

- 1. Mark system id followed instead of direct grading for each question. For each course in the semester the letter grade, grade point and % of marks are introduced in 7- point indirect grading system as per the guidelines of the University of Calicut CBCSSUG 2019
- 2. The evaluation scheme for each course shall contain two parts. 1) Internal Assessment 2) External Evaluation. 20% weight shall be given to the internal assessment. The remaining 80% weight shall be given for the external evaluation.
- 3. INTERNAL ASSESSMENT 20% of the total marks in each course is for internal examinations. The internal assessment shall be based on a system, involving written tests/assignments/seminars/ viva and attendance in respect of theory courses and lab involvements/ records and attendance in respect of practical courses. Internal assessment of the project will be based on its content, method of presentation, final conclusion and orientation to research aptitude. The components with the percentage of marks of internal evaluation of theory courses are: Attendance -25%, Assignment/ Seminar/ Viva- 25%, and Test paper- 50%. (If a Fraction appears in internal marks, nearest whole number is to be taken). Attendance of each course (Including Practical) will be evaluated as below

| Above 90% attendance | 100 marks allotted for |
|----------------------|------------------------|
| | attendance. |
| 85 to 89% | 80 |
| 80 to 84% | 60 |
| 76 to 79% | 40 |
| 75% | 20 |

Internal Assessment for Practical: 20% of total marks are internal assessment. It should be done by the department based on the performance of the student in the practical Lab. The components with the percentage of marks of internal evaluation of practical courses are: Attendance- 25%, Record-50% and Lab involvement- 25%. (If a Fraction appears in internal marks, nearest whole number is to be taken).

Affiliated to the University of Calicut, ISO 9001-2015 Certified

External Evaluation: External evaluation carries 80% of marks. The external examination in theory courses is to be conducted with question papers set by experts. The evaluation of the answer scripts shall be done by examiners based on well-defined scheme of evaluation by the University. The external examination in practical courses shall be conducted by two examiners- one internal and external, appointed by the university. The project evaluation and viva can be conducted by the external examiners appointed by the university. After external evaluation, only marks are to be entered in the answer scripts. All other calculations including grading are done by the University.

External Evaluation for Practical Courses. The practical evaluation shall be conducted at the end of the concerned semester.

- 20% of marks are awarded through internal assessment.
- A Board of two examiners (One Internal and One External) appointed by the University shall conduct the evaluation.
- Evaluation of practical should involve submission of record.
- A viva voce based on the practical shall be conducted individually by the Board of Examiners.
- The Maximum Marks for evaluation of the practical shall be distributed among the following components. Practical Knowledge – 50% of total external marks. Viva Voce- 25% of total external marks. Practical Record- 15% of total external marks. Personal Grooming-10 % of total external marks.

Revaluation: In the new system of grading, revaluation is permissible. The prevailing rules of revaluation are applicable to CBCSSUG 2019. There is no revaluation facility available for practical.

Question Paper: The pattern of question paper for 80 Marks as Maximum, should be as follows

| Questio n Type | Total No of question s | No of question s to be answere d | Marks for each questio n | Maximu m Marks | Total Mark s |
|-------------------|---------------------------------|--|-----------------------------------|-------------------|--------------------|
| Short Answer | 15 | | 2 | 25 | 25 |
| Short Essay | 8 | | 5 | 35 | 35 |
| Long Essay | 4 | 2 | 10 | | 20 |
| | | | | Grand Total | 80 |

The pattern of question paper for 60 Marks as Maximum, should be as follows

Affiliated to the University of Calicut, ISO 9001-2015 Certified

| Questio n Type | Total No of question s | No of question s to be answere d | Marks for each questio n | Maximu m Marks | Total Mark s |
|-------------------|---------------------------------|--|-----------------------------------|-------------------|--------------------|
| Short Answer | 12 | | 2 | 20 | 20 |
| Short Essay | 5 | | 5 | 20 | 20 |
| Long Essay | 4 | 2 | 10 | | 20 |
| | | | Grand Total | | 60 |

There are some practical courses which are having 60 marks as maximum for external evaluation, the proportion for the marks can be taken as following.

| Evaluation Method | Maximum Marks |
|---|---------------|
| Practical Record | 10 |
| Indent/ Preparation Writing | 10 |
| Technical Skills | 20 |
| Viva Voce | 10 |
| Presentation/ Hygiene/ Personal Grooming | 10 |
| Total Marks | 60 |

There are some practical courses which are having 40 marks as maximum for external evaluation, the proportion for the marks can be taken as following.

| Evaluation Method | Maximum Marks |
|-------------------|---------------|
| Practical Record | 10 |
| Technical Skills | 20 |
| Viva Voce | 10 |
| Total Marks | 40 |

Affiliated to the University of Calicut, ISO 9001-2015 Certified

Award of Degree

The successful completion of the courses (Common, Core, Complimentary and Open courses) prescribed for this programme with E- grade (minimum 40% -for external and 40% for internal) shall be the minimum requirement for the award of degree.

Credits:

Each course shall have certain credits for passing the B. Sc. HM & CS programme, the student shall be required to achieve a minimum of 120 credits of which 38 (14 for common English courses + 8 for common language other than English+ 16 credits for general common courses) credits shall be from common courses, a minimum of 2 credits for open courses, 56 credits from core courses and 24 credits from complimentary courses. So minimum credits required for core, complimentary and open course put together are 82 (Including practical).

In all other matters regarding the B.Sc. HM & CS programme under Choice Based Credit semester system which are not specified in this regulation, the common regulation **CBCSSUG 2019** will be applicable.

Audit Course for UG Programme in CBCSS

Semester 1

AUD1E01 ENVIRONMENTAL STUDIES

Course Objective

The study aims at imparting basic knowledge about the environment and its allied problems and acquiring an environmentally conscious mindset.

Course Outcomes:

Comprehend the importance of ecosystem and biodiversity

Affiliated to the University of Calicut, ISO 9001-2015 Certified

- To correlate the human population growth and its trend to the environmental degradation and develop the awareness about his/her role towards environmental protection and prevention. Identify different types of environmental pollution and control measures.
- To correlate the exploitation and utilization of conventional and non-conventional resources

Syllabus

Module 1:

Introduction – Environment in the Indian context: Concept of an ecosystem, Multidisciplinary nature of environmental studies. Components of environment- Atmosphere, hydrosphere, lithosphere and biosphere. Definition, scope and importance. Concept of sustainability and sustainable development.

Module 2:

Natural Resources: Renewable and non-renewable resources: Natural resources and associated problems. a) Forest resources: Use and over-exploitation, deforestation, case studies. Timber extraction, mining, dams and their effects on forest and tribal people. b) Water resources: Use and over-utilization of surface and ground water, floods, drought, conflicts over water, dams-benefits and problems. c) Mineral resources: Use and exploitation, environmental effects of extracting and using mineral resources, case studies. d) Food resources: World food problems, changes caused by agriculture and overgrazing, effects of modern agriculture, fertilizer-pesticide problems, water logging, salinity, case studies. e) Energy resources: Growing energy needs, renewable and non renewable energy sources, use of alternate energy sources.

Case studies. f) Land resources: Land as a resource, land degradation, man induced landslides, soil erosion and desertification. • Role of an individual in conservation of natural resources. • Carbon footprint Water conservation, rain water harvesting, watershed management

Module 3:

Affiliated to the University of Calicut, ISO 9001-2015 Certified

Structure and function of an ecosystem. • Producers, consumers and decomposers. •

Energy flow in the ecosystem. • Ecological succession. • Food chains, food webs and ecological pyramids. • Introduction, types, characteristic features, structure and function of the following ecosystem: - a. Forest ecosystem b. Grassland ecosystem c. Desert ecosystem d. Aquatic

ecosystems (ponds, streams, lakes, rivers, oceans, estuaries)

Module 4:

Biodiversity and its conservation • Introduction – Definition : genetic, species and ecosystem diversity. • Biogeographical classification of India • Value of biodiversity : consumptive use, productive use, social, ethical, aesthetic and option values • Biodiversity at global, National and local levels. • Hot-spots of biodiversity. • Threats to biodiversity : habitat loss, poaching of wildlife, man-wildlife conflicts. • Endangered and endemic species of India • Conservation of biodiversity :

Module 5:

Environmental Pollution Definition • Cause, effects and control measures of :- a. Air pollution b. Water pollution c. Soil pollution d. Marine pollution e. Noise pollution f. Thermal pollution g. Nuclear hazards • Solid waste Management : Causes, effects and control measures of urban and industrial wastes. • Role of an individual in prevention of pollution.

Module 6:

Environmental Policies and practices: Climate change, Climate change, global warming, acid rain, ozone layer depletion, nuclear accidents.

Semester 2

AUD2E02 DISASTER MANAGEMENT

Naipunnya Institute of Management & Information Technology

Affiliated to the University of Calicut, ISO 9001-2015 Certified

Course Objective

The study aims at providing an understanding on disaster management and various types of disasters.

It provides an awareness about disaster prevention and risk reduction and enables to impart knowledge on climate change adaptation and scenarios.

Course Outcomes:

- Understand the need and significance of studying disaster management
- Understand the different types of disasters and causes for disasters.
- Gain knowledge on the impacts Disasters on environment and society
- Study and assess vulnerability of a geographical area.
- Students will be equipped with various methods of risk reduction measures and risk mitigation.

Module 1:

Introduction – Hazard and Disaster. Concepts of Hazard, Vulnerability, Risks. Different Types

of Disaster: A) Natural Disaster: such as Flood, Cyclone, Earthquakes, Landslides etc B) Manmade Disaster: such as Fire, Industrial Pollution, Nuclear Disaster, Biological Disasters,

Accidents (Air, Sea, Rail & Road), Structural failures (Building and Bridge), War & Terrorism

etc. Slow Disasters (famine, draught, epidemics) and Rapid Onset Disasters(Air Crash, tidal

waves, Tsunami) Causes, effects and practical examples for all disasters.

Water and Climate Disaster: flood, hail storms, cloudburst, cyclones, heat and snow avalanches, cold waves, droughts, sea erosion, thunder and lightning. Geological Disaster: landslides, earthquakes, Tsunami, mine fires, dam failures and general fires. Biological Disaster: epidemics, pest attacks, cattle epidemic and food poisoning. Nuclear and Industrial Disaster: chemical and industrial disasters, nuclear accidents. Accidental Disaster: urban and forest fires, oil spill, mine flooding incidents, collapse of huge building structures.

Module 2:

Natural disasters- Earthquakes, Tsunami, Floods, Drought, Landslides, Cyclones and Volcanic

eruptions. Their case studies. Coastal disasters. Coastal regulation Zone.

Risk and Vulnerability Analysis 1. Risk: Its concept and analysis 2. Risk Reduction 3.

Naipunnya Institute of Management & Information Technology

Affiliated to the University of Calicut, ISO 9001-2015 Certified

Vulnerability: Its concept and analysis 4. Strategic Development for Vulnerability Reduction Disaster Prevention and Mitigation. Refugee operations during disasters, Human Resettlement

and Rehabilitation issues during and after disasters, Inter-sectoral coordination during disasters,

Models in Disasters.

Module 3:

Disaster Preparedness and Response Concept and Nature Disaster Preparedness Plan

Prediction, Early Warnings and Safety Measures of Disaster. Role of Information, Education,

Communication, and Training, Disaster Management: Role of Government, International and NGO Bodies. Role of IT in Disaster Preparedness Role of Engineers on Disaster Management. Response Disaster Response: Introduction Disaster Response Plan Communication, Participation, and Activation of Emergency Preparedness Plan Search, Rescue, Evacuation and Logistic Management Role of Government, International and NGO Bodies Psychological Response and Management (Trauma, Stress, Rumor and Panic) Relief and Recovery Medical Health Response to Different

Disasters.

Module 4:

Rehabilitation, Reconstruction and Recovery Reconstruction and Rehabilitation as a Means of Development. Damage Assessment Post Disaster effects and Remedial Measures. Creation of Long-term Job Opportunities and Livelihood Options, Disaster Resistant House Construction Sanitation and Hygiene Education and Awareness, Dealing with Victims' Psychology, Longterm Counter Disaster Planning Role of Educational Institute.

Module 5:

The vulnerability atlas of India. Disaster Prevention and Mitigation. Agencies involved in Disaster Management. Warning and Prediction

Affiliated to the University of Calicut, ISO 9001-2015 Certified

Essential Reading:

Semester 3

AUD3E03- HUMAN RIGHTS

Course Objective

Affiliated to the University of Calicut, ISO 9001-2015 Certified

In-depth insight into the constitutional, statutory and institutional aspects of human rights and special legislations dealing with protection of vulnerable and marginalized groups.

Course outcomes

- 1. Understand the importance and different approaches to Human rights
- 2. Understand the different mechanisms of United Nations to ensure and protect the Human

Rights

3. Understand the different Constitutional provisions and legislations to protect Human Rights

in India

- 4. Analyse the functions of NHRC, Judiciary and PIL for protecting Human Rights in India
- 5. Examine the challenges to Human Rights of different vulnerable sections

MODULE -I

HUMAN RIGHTS; Meaning, Evolution and Importance

Approaches; Western, Marxian, Feminist and Third World

MODULE - II

U N O AND HUMAN RIGHTS

- (a)Universal Declaration of Human Rights
- (b)International Covenants on Civil and Political Rights(ICCPR),

International Covenant on Social Economic and Cultural Rights(ICSECR)

(c) The Office of the United Nations High Commissioners for Human

Rights(UNHCHR)

MODULE-III

Naipunnya Institute of Management & Information Technology

Affiliated to the University of Calicut, ISO 9001-2015 Certified

HUMAN RIGHTS IN INDIA

- (a) Constitutional Provisions- Fundamental Rights, Directive Principles of
- State Policy
- (b)Some important Legislations
- 1) Protection of Civil Rights Act-1955
- 2) Prevention of Atrocities (SC and ST) Act 1989
- 3) Sexual Harassment of Women at workplace (Prevention, Prohibition and Redressal) Act, 2013
- 4) The Rights of Persons with Disabilities Act-2016

National Human Rights Commission and Media

- 5) Right to information Act 2005
- (c) Agencies Protecting Human Rights; Judiciary, Public Interest Litigation,

MODULE-IV

CHALLENGES TO HUMAN RIGHTS

Human Rights Violations against Women, Children, Other marginalised sections like Minorities, Dalits, Adivasis and Women, Refugees
