Students, faculty and well-wishers have contributed financially and also through other ways. Apart from this, students have been hosting fund-raising programmes in connection with Rebuild Mission

Pratidhi, Center for Happiness and Wellbeing

The Center provides professional assistance and guidance to the students in resolving their personal or psychological problems. The main focus areas are student counseling and parent counseling. The center is also open to any student who seeks help on their own or through teachers, guardians, or parents. The Center aims at providing a safe and conducive environment for students to share their grievances and upholds the confidentiality of every student. The Center comprises an experienced college student counselor and a social worker in the campus. Also, a team of professional and qualified psychologists provides their service alternatively once in every week, dealing with mental health problems among young adults.
