## **Report of Snehasangamam 2018-2019**

The value of compassion and empathy are the fundamental elements which raise the human consciousness. It is indeed hard to tread upon the surface of world without being empathetic towards each other, and no fulfillment is ever known without being a part of the needy and a suffering lot. It is not an act of hospitality, on the contrary, it is the responsibility of each and every one of us to ensure the happiness of our fellow beings. Naipunnya has kept aside a day only for creating joyful moments in the life of the less fortunate around them.

‘Snehasangamam’, is a charity programme meant for the differently abled and old aged. It was coordinated and conducted by the second year undergraduate students and was scheduled on 9<sup>th</sup> February of the academic year 2018-2019. The registration started at 9.00 am. There were 19 institutions who participated in the event and around 481 people gathered at the college auditorium. A warm welcome was given to them by the students and teachers.

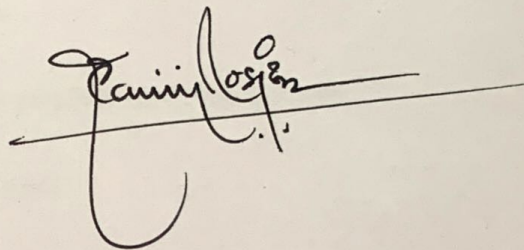

The day witnessed the enthusiastic and skillful performances of the differently abled people at the college Auditorium. The event started with fun games which made them happy and lively. The chief guest of the day was Ms. Jilumol who was a lady of will power and unflaunting spirit. As a social worker, her message was her own life. She inspired the students with an account of her own struggles, that life posed to her. The speech was followed by the various cultural programme by the invitees. It was a wonder to see the people who face the biggest challenges in their life, performing with much ease. It was a fulfilling moment for Naipunnya. A sense of accomplishment was very much explicit on the faces of these talented people. Refreshment and snacks were given in between the programmes. The lunch was served at 12.45 pm. As a token of love, the institutions were given various items according to their demanded requisites.

The representatives from the different institutions expressed their gratitude for inviting them and providing them with some valuable time to enjoy and express their talents. The student coordinator of Snehasangamam, Ms. Diana Davis expressed her thanks to all the second years whose initiative ideas and team work had led to the smooth conduct of the event. She also thanked all the teachers and teacher coordinators who

extended their support and guidance. She was also grateful to the Management, Principal of the college, Fr. Saje Peter, Vice Principal, Ms. Emily Ittiachan and Assistant Executive Director, Fr. Varghese Assin. The students of Naipunnya made sure that they also entertain the invitees with their exuberant dance performance.

The day left an everlasting imprint on the mind of the students and teachers as the programme was an eye opener to the immense opportunities that are left open in our life, despite all the hurdles. The day was a realization to many of the students. It taught us that "we rise by lifting others".
