INDIRECT GRADING SYSTEM: Mark system is followed instead of direct grading for each question. For each course in the semester letter grade, grade point and % of marks are introduced in 7-point indirect grading system. Indirect grading System is based on a 7-point scale. Each course is evaluated by assigning marks with a letter grade (A+, A, B, C, D, E or F) for a pass in each course 40% marks or E grade is necessary.

After the successful completion of a semester, semester Grade point Average (SGPA) of a student in that semester is calculated using the formula given below:

Sum of the credit points of all courses in a semester

SGPA = -

Total credits in that semester

The cumulative Grade Point Average (CGPA) of the student is calculated at the end of a programme. CGPA can be calculated by the following formula.

Total credit points obtained in six semesters

CGPA = -

Total credits acquired

An overall letter grade (cumulative grade) for the entire programme shall be awarded to a student depending on her/his CGPA.

MASTER OF SCIENCE (MSC) IN COMPUTER SCIENCE

COURSE EVALUATION

The evaluation scheme for each course shall contain two parts: (a) internal evaluation and (b) external evaluation. 25% weight shall be given to internal evaluation and the remaining 75% to external evaluation. Therefore the ratio of weight between internal and external is 1:3. Both internal and external evaluation shall be carried out using direct grading system.

INTERNAL EVALUATION

The internal evaluation shall be based on predetermined transparent system involving periodic written tests, assignments, seminars and attendance in respect of theory courses and based on lab tests, lab skill/records/viva and attendance in respect of practical courses.

THEORY PAPERS

The weightage assigned to various components for internal evaluation for theory papers is as shown below.

Components	Weightage
Test papers with at least 25% questions based on problems or programs (minimum two)	2
Assignments (minimum two) such as homework, problem solving, group discussions, quiz, literature survey, term-project, software exercises, etc.	1
Regularity in the class	1
Seminar	1
Total	5

PRACTICAL PAPERS

The mark distribution to award internal continuous assessment marks for practical course should be as follows:

Components	Weightage
Rough record for each experiment	1
Performance in the laboratory - coding, results	1
Fair Record	1
Regularity	1
End-semester test	1
Total	5

Percentage of Attendance	Weightage
90% and above	4
85 to 89.9%	3
80 to 84.9%	2
75 to 79.9%	1
Below 75 %	0

TERM PAPER

A tentative list of the components for evaluation of Term Paper is as shown below. Evaluation committee can decide about the actual composition of the components and scores to be awarded for each component.

Component
Relevance of the Topic, Statement of Objectives, Correctness
Quality of Literature Survey / Product Review
Methodology / tools Adopted
Quality of Contributions
Quality of Implementation / Simulation
Quality of Testing
Identification of Future Work
Quality of the Term Paper Report
Publications/Presentations/Communications out of the Term
Paper
Quality of Presentation

PROJECT WORK

Total weightage for Project Work (and General Viva Voce) shall be 72 (36 x 2). Hence the total grade points shall be 288 (72 x 4). Scheme to award internal continuous assessment grades for project work should be as follows:

Components	Weightage
Monthly progress	4
Regularity	1

For each course in the semester letter grade, grade point and % of marks are introduced in 7-point indirect grading system. Indirect grading System is based on a 7 -point scale. Each course is evaluated by assigning marks with a letter grade (A+, A, B, C, D, E or F) For a pass in each course 40% marks or E grade is necessary.

After the successful completion of a semester, semester Grade point Average (SGPA) of a student in that semester is calculated using the formula given below:

$$\text{SGPA} = \frac{\text{Sum of the credit points of all courses in a semester}}{\text{Total credits in that semester}}$$

The cumulative Grade Point Average (CGPA) of the student is calculated at the end of a programme. CGPA can be calculated by the following formula.

$$\text{CGPA} = \frac{\text{Total credit points obtained in six semesters}}{\text{Total credits acquired}}$$

An overall letter grade (cumulative grade) for the entire programme shall be awarded to a student depending on her/his CGPA.

PRAYER

Our Heavenly Father,

We, the members of Naipunnya Family, / come before you today / with grateful hearts / acknowledging your loving kindness and mercy. We commit this day / into your hands / as we know / that nothing ever happens / without your knowledge. / Lord, / be with us / and hold our hands / as the day progresses / and guide us in the right path. / Fill us with your wisdom from above. / Help us / to be pure in our thoughts, / kind in our words / and considerate in our actions. / Protect us / and keep us / under your mighty wings. / At the end of the day, / help us to reflect on your love / and to become / a little more like you / each day.

Amen.

4. There shall be showers of blessing:

There shall be showers of blessing
This is the promise of love;
There shall be seasons refreshing,
Sent from the saviour above.

 Showers of blessing,
 Showers of blessing we need;
 Mercy-drops round us are falling,
 But for the showers we plead.

There shall be showers of blessing;
Send them upon us, O Lord
Grant to us now a refreshing;
Come, and now honour Thy word.

5. Thank You Lord

Thank You Lord

I come before You today

And there's just one thing that I want to say

Thank You Lord

Thank You Lord

For all You've given to me

For all the blessings I can not see

Thank You Lord

Thank You Lord

With a grateful heart

With a song of praise

With an outstretched arm

I will bless Your name

Thank You Lord

I just wanna thank You Lord

Thank You Lord

I just wanna thank You Lord

Thank You Lord

For all You've done in my life

You took my darkness and gave me Your light

Thank You Lord

Thank You Lord

You took my sin and my shame

You took my sickness and healed all my pain

Thank You Lord

Thank You Lord

With a grateful heart

With a song of praise

With an outstretched arm

I will bless Your name

Thank You Lord

I just wanna thank You Lord

Thank You Lord

Thank You Lord

I just wanna thank You Lord

Thank You Lord

6. Light of the World

Light of the world
You stepped down into darkness
Opened my eyes, let me see
Beauty that made this heart adore You
Hope of a life spent with You

Here I am to worship, here I am to bow down
Here I am to say that You're my God
You're altogether lovely, altogether worthy
Altogether wonderful to me

King of all days oh, so highly exalted
Glorious in Heaven above
Humbly You came to the earth You created All for love's
sake became poor

Here I am to worship, here I am to bow down
Here I am to say that You're my God
You're altogether lovely, altogether worthy
Altogether wonderful to me

7. More love, more power

More love, more power
More love, more power
More of You in my life
More love, more power More of You in my life

And I will worship You with all of my heart
and I will worship you with all of my mind
I will worship you with all of my strength
For You are my Lord

More love, more power
More of You in my life
More love, more power
More of You in my life

And I will worship You with all of my heart
I will worship You with all of my mind
I will worship you with all of my strength
For You are my Lord

More love More love,
more power More of You in my life
More love, more power
More of You in my life

8. In His time, in His time,

In His time, in His time,
He makes all things beautiful, in His time,
Lord, please show me everyday,
As You're teaching me Your way,

That You do just what You say, in Your time
In Your time, in Your time,
You make all things beautiful, in Your time.
Lord, my life to You I bring,
May each song I have to sing,
Be to You a lovely thing, in Your time.

9. What a faithful God have I

Lord, I come before Your throne of grace
I find rest in Your presence
And fullness of joy
In worship and wonder
I behold Your face

Singing, "what a faithful God have I"

Chorus

What a faithful God have I
What a faithful God
What a faithful God have I
Faithful in every way

Lord of mercy, You have heard my cry
Through the storm You're the beacon
My song in the night
In the shelter of Your wings
Hear my heart's reply
Singing, "what a faithful God have I"

Lord, all sovereign
Granting peace from heaven
Let me comfort those who suffer
With the comfort You have given
I will tell of Your great love
For as long as I live
Singing, "what a faithful God have I"

10. **Our Father who art in Heaven**

Hear our prayer
We are Your children
And we've gathered here today, bless me
We're gathered here to pray

Hear our cry
Lord, we need Your mercy
And we need Your grace today, yes, we do
Hear us as we pray

Our Father, who art in Heaven
Hallowed be thy name
Our Father, hear us from Heaven
Forgive our sins we pray

Hear our song
As it rises to Heaven
May Your glory fill the earth
As the waters cover the seas

See our hearts
And remove anything
That is standing in the way
Of coming to You today

Our Father, who art in Heaven
Hallowed be Thy name
Our Father, hear us from Heaven
Forgive our sins we pray

Father I place into your hands
Father, I place into Your hands
the things that I can't do.

Father, I place into Your hands
the times that I've been through
Father, I place into Your hands
the way that I should go,
for I know I always can trust You

Father, I place into Your hands
my friends and family.
Father, I place into Your hands
the things that trouble me.

Father, I place into Your hands
the person I would be,
for I know I always can trust You.
Father, we love to seek Your face,
we love to hear Your voice.

Father, we love to sing Your praise,
and in Your name rejoice.
Father, we love to walk with You
and in Your presence rest,
for we know we always can trust You.

Father, I want to be with You
and do the things You do.
Father, I want to speak the words
that You are speaking too.

Father, I want to love the ones
that You will draw to You,
for I know that I am one with You
