REPORT

The NIMIT Laptop Sponsorship Programme in association with Jeevadan center for women, (also known as 'Grand Wallet' for students and 'Snehapoorvam' for staff members), aims to provide laptops to students and faculty members at a reduced cost. The goal is to enhance their educational and professional experiences. This 10 lakh project aims to distribute laptops to 50 stake holders. The objective is to promote access to technology, facilitate academic and professional development, and ensure that all participants have the necessary tools for effective learning and teaching.

The programme began with the release of an application form for interested beneficiaries to apply. We carefully reviewed all applications and selected a total of 50 beneficiaries, with 25 students and 25 staff members, who met the criteria and demonstrated a genuine need for the laptops. The selected beneficiaries were announced, and their details were recorded.

The laptops were provided to the beneficiaries through SWAS. The students who received laptops under the 'Grand Wallet' scheme for the 2023-2024 academic year are as follows:
