# ACADEMIC BANK OF CREDITS (ABC)

## What is ABC ID?

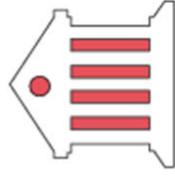

The [Academic Bank of Credits \(ABC\)](#) is designed to enable students to move freely between different Higher Education Institutions in the country. It provides a "credit transfer" system that allows students to switch from one programme to another, helping them achieve a Degree, Diploma, or Postgraduate Diploma.

ABC ID is linked to a system called [APAAR](#), which ensures accountability and transparency by keeping track of students' progress and records.

## How Does the ABC System Works?

The ABC System allows students to transfer credits between different educational institutions. "Credits earned by a student in one programme at an institution can be transferred or redeemed at another institution with the student's consent. This credit transfer is crucial for successful study mobility."
